Dear Members of the Czech Bar Association,

We at ERA wish you a very successful new year. In 2022 we are happy to present to you a packed schedule of events targeted at lawyers in private practice.

We have a mixture of online, hybrid and face-to-face events planned. At the seminars where we welcome participants both at our venue in Trier and other venues around Europe, it is our priority to keep participants and staff safe and follow the latest corona regulations. More information on safety at our face-to-face events can be found here.

At our hybrid events you can choose between online or face-to-face participation. Should we be obliged to cancel the face-to-face format due to COVID-19 regulations, you are free to switch to the online format or cancel your participation entirely at no extra cost.

We have selected a number of events taking place in the first quarter of 2022 below. Members of the Czech Bar Association are entitled to a 25% discount. In order to claim the discount, please select the price for discount voucher holders and enter the code. A full overview of our events can be found on our web site www.era.int
